City of Aachen, *Germany*

Venue and Location

City of Aachen

Aachen, traditionally known as Aix-la-Chapelle, is a border-town city in North Rhine-Westphalia in the triangle between Belgium, the Netherlands and Germany. The westernmost city in Germany once was known as the roman spa resort *Aquae Granni*. During the middle ages, Aachen was the residence for Charles the Great and later on coronation place for the German kings and thus, has a large and interesting history. Nowadays, Aachen states as a center of research and technology and hosts one of the leading universities of technology in Germany. Therefore, Aachen is a great choice for hosting the 11th International Conference on Bioelectromagnetism and we are very happy to invite you, to be part of this exciting event.
